

# Documentation

## 2.4.1 Task

As a part of the assessment procedure I had to submit four major documents ~~with the Signed Progress Pro~~ along with Signed Progress Reports. The documents submitted are as follows

1. Project Proposal
2. Contextual Report
3. Reflective Report
4. Final Thesis Report

## 2.4.2 Issues

- a. ~~Poor in~~ Poor Practice of <sup>referencing</sup> ~~referring~~ the sources.
- b. Select suitable articles, research papers relevant to the system.
- c. Some web applications asks for ~~the~~ payment when download articles and papers.

### 2.4.3. Solution.

- a. Got the support of MS Word for proper referencing.
- b. Got the Guidance from the Supervisor when selecting the paper articles.
- c. University network has given the free download access to the relevant sites.
